2 Corinthians 10:3-5

A QUICK REVIEW

Though Jesus won the victory through the cross and resurrection, we continue to live in a _____.

In this war we will experience _____.

While God wants to speak truth to you regarding your wounds, the Evil One wants to speak _____.

If the lies take root, they can trigger self-protective _____.

These vows can result in _____ from which the enemy can compromise your life.

TWO TRUTHS

1. All your wounds aren't in the past. You will be wounded in the _____.
2. The Evil One will return to the _____ lies to see if he can shake you from the truth.

For though we live in the world, we do not wage war as the world does. The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ.
