

## MISSIONAL PRAYER, CONT.

and ask prayer for training meetings in May with North Africa, Middle East Leaders.

**Jim and Dawn Anderson** (Guinea West Africa)

Jim and Dawn just completed two weeks at a medical conference in Greece. They write: "We have been challenged mentally and spiritually - what a joy coming out of a rough couple of months in the village! Dawn was able to pass her PALS and ACLS classes and Jim also completed a Life Coaching class before the conference started." They are unsure if the clinic is still closed as they wait for a new health care worker. They ask for prayer "that God would heal the anger and jealousy and also that He would heal our hearts as we prepare to see everyone again." They plan to travel to the US (Goshen, IN area) this coming summer. They are looking for an affordable place to stay near Goshen. If you have any contacts, please contact Mike Bishop at the FMC church office.

**Pam Fulton** (USA)

Let's keep Pam in our prayers as she continues to minister to missionaries world-wide. Pam has financial needs and asks for prayer that God would give her wisdom. She is praising God that her health is much better. She does hope to make a visit to our area in late May, early June.

**Mike and Carol Bishop** (USA)

Pray for Mike, along with staff member Wendy Lindsey and her husband Ronnie, as they travel to Thailand to visit and encourage **Adrianna Manaugh** in her ministry to Burmese children and families who have fled Myanmar (Burma) into Thailand. Pray that Adrianna would be refreshed by a visit from Fellowship Missionary Church and encouraged to continue in leading these families to a new life in Christ while at the same time trying to help them emotionally and physically. The team will be traveling from April 14 to 25.

*Jesus then said to His disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest." Matthew 9:37-38*
