

## MISSIONAL PRAYER, cont.

and Ed as they are apart, and for peace in her mother's heart.

### **Nana and Sita Couffie** [Austria]

A word of encouragement from Nana: "We keep focused on the greeting of our FCR ministry [Fellowship of Christian Refugees] - JESUS IS OUR HOPE AND HE IS OUR HOPE FOREVER! (One refugee greets - 'Jesus is our hope' and the other responds - 'He is our hope forever'). Thank you for your loving us and those you partner with us to serve. God bless you, your family, your work, and your ministry." Nana, Sita, Elisha and Nana Jr.

*Jesus then said to His disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest." Matthew 9:37-38*

### Special Need

One of our own, Michelle McKuras, is in late stages of kidney failure due to Lupus. Without a miraculous intervention, her only hope is a kidney transplant, ideally from a living donor. The problem is that the wait list for a new kidney is 4 years. Michelle doesn't have that long. Michelle is turning to her church family for help. First of all, pray for her and for a donor to be found. Secondly, consider the possibility of being a donor. Go to her web site, [michelleskidneykampaign.org](http://michelleskidneykampaign.org), to complete an assessment and learn more about organ donation.

### MISSIONAL PRAYER

**Ed and Mable Mendoza** (Guatemala)  
Please be in prayer for Ed and Mable at this time. Mable is currently with her mother in Goshen, Indiana as her mother is failing with follicular lymphoma, a cancer of the blood. She is currently in hospice care and Mable is with her while Ed remains with the ministry in Guatemala, leading the Global Bridge students. Please pray for strength for Mable
